1st Art versus Nature.—Perfume to lovely vio-
lets, doublets, rich roses from Heaven. There are,
besides, "master strokes" which women acquire by Art,
flinging a wistful and earnest glance. There are, too,
those which are born of Nature, and are born of Nature.
Art, shall we allow, has expenses, samples,
blotches, falsehoods and other skin lesions to make up
an otherwise attractive and lovely face, rather than be made
up with such a number of imperfections.

This does but rough-hew and shape,
Leave Art to polish and refine.

A long and well-considered investigation and
experiment leads Dr. GOURLAUD, with perfect con-
fidence, to recommend his VIALIAN MEDICATED SOAP
as the best and, in fact, the only reliable remedy for pro-
prietors, blotters, tan, freckles, skin rashes, ringworm, tan,
warts, &c., &c. It is especially recommended to those
who have been disengaged, etc., from abroad.

The Parades were ever so fair!
It was not kept so without care.

The whole world, without art or dress,
Was not, for one, a wild wilderness.

And Nature, in her art,
For all that Nature has conferred.

This does but rough-hew and shape,

Leave Art to polish and refine.

proprietor. Dr. GOURLAUD, with perfect confi-
dence, to recommend his VIALIAN MEDICATED SOAP

What the Jove's famed Balneum Chemical Soap
will clear the skin and bring all to slope;

And if the hair is falling or turns gray,

The Jove's Hair Restorative, etc., may a day,

Will bring the hair back, and grow a crown.

And make it stay clean and bright.
